RoHS Statement

The InSpec product range manufactured by Redditch Medical, includes a range of disinfectants and detergents.

Directive 2011/65/EU – RoHS 2

Based on the information available to us from our raw material suppliers, the InSpec product range is in compliance with Directive 2011/65/EU of the European Parliament and of the Council of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment (also known as “RoHS Recast”).

Directive (EU) 2015/863 – RoHS 3

Based on the information available to us from our raw material suppliers, the InSpec product range is RoHS compliant, in accordance with RoHS 3, Directive (EU) 2015/863 on the Restriction of Hazardous Substances (RoHS) in electrical and electronic equipment.

Please do not hesitate to contact me if any further information is required.
